

•Directions to Guilliam's Fields in Minnetonka.

- Take your favorite route to US 169.
- Go North on US 169 to the Minnetonka Blvd exit.
- Turn Left onto Minnetonka Blvd.
- Stay on Minnetonka Blvd for approximately 1.6 miles (you'll cross county road 73 (Hopkins Crossroads) and then you'll see some fields on your right. THESE ARE NOT THE FIELDS! That is Big Willow Park).
- The entrance to Guilliam's Field will be on your left just as you've passed the fields that are on your right. (If you pass Auntie Ruth's Animal Care

(also on the left) you've gone too far!)

•There is a baseball field at the entrance. Go through the parking lot for the baseball field and continue on the little weird road, and it will take you to the parking lot for the softball fields. Here is a map of the road into the fields.
